FORNI A GAS LINEA RG

GAS OVENS RG LINE

I forni a gas serie RG ideale per pizzerie e rosticcerie.

Sono costruiti in acciaio inox e in lamiera preverniciata. Piano di cottura in pietra refrattaria. Isolamento in lana di roccia evaporata. Scarico vapori a centro camera. Illuminazione interna. Alimentazione a gas con valvole di sicurezza con ugelli installati per GPL ed in dotazioni quelli per il gas metano. Bruciatori posti sotto la pietra. **Progettati per cucinare ottimamente le pizze più fantasiose e raffinati piatti di gastronomia.**

The gas ovens RG line is made for pizza and roasted foods.

It is made of stainless steel and coated metal sheet. Firestone cook top. Evaporated mineral wool isolation. Vapors exhaust at the center of backing chamber. Interior lighting. Gas supply with safety valves with installed nozzles for LPG and equipped with those for the methane gas. Burners placed under the stone. **Designed to cook the perfect pizza and sophisticated dishes.**

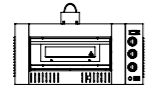

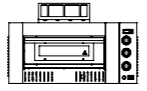

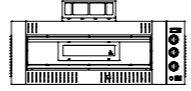

Nei forni della Linea RG, tramite le varie manopole poste sul quadro di comando, è possibile regolare la distribuzione del calore in modo differente all'interno della camera di cottura. In base alle necessità, si può scegliere una temperatura diversa tra cielo e platea.

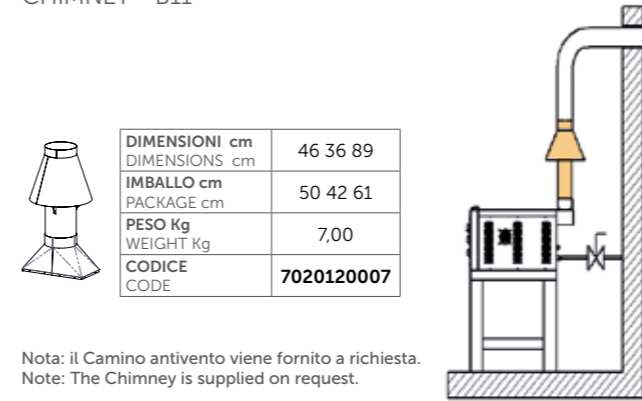

In the RG Line ovens, using the various knobs on the control panel, you can adjust the heat distribution in a different way inside the cooking chamber. As needed, you can choose a different temperature between top and bottom.

La qualità Italiana al servizio dei professionisti del mestiere.
Italian quality at the service of the craft professionals.
