Chez Jars nous aimons par-dessus tout mélanger, twister, dépareiller, les couleurs, les formes, les mats & brillants. C'est ainsi que les tables sont les plus vivantes. Alors suivez vos envies ... et surtout surtout amusez vous !

At Jars', what we love to do above all is mixing, changing, mismatching, colors, shapes, shiny & matt glazes. This is the way tables look the most alive. Then follow your desire ... And especially, have fun !
